## Trainer Profile

All AFA M\_o\_R trainers have undergone the rigorous approvals process administered by the APM Group on behalf of the UK Cabinet Office. They are practising risk managers with considerable experience in a wide range of industry sectors. The use of hybrid trainer-managers is of great benefit to delegates and ensures that illustration and anecdotes have up-to-date validity and that the training given, whilst being true to the syllabus is also pragmatic.

## Location and Duration

AFA open courses take place approximately every two months at a range of locations across the UK. All venues have been chosen for their modern equipment and ease of access from major road, rail and air routes. Alternatively client events can be arranged either on-site or at a suitable venue nearby. A full open course schedule can be found at <http://www.afaprojects.com/courses/search/>.

This course takes place over five days, including the optional M\_o\_R Foundation and practitioner examinations. Delegates should be aware that considerable evening preparation and consolidation will be required by those who wish to pass the exam.

## ProjectCoach

AFA is pleased to introduce ProjectCoach, a new premium service which is completely free of charge to AFA clients. This confidential service gives every delegate the opportunity to have a document reviewed by one of AFA's experienced consultants.

## AFA Atrium

The AFA Atrium is a secure online document repository, for use by all delegates on AFA's courses. The Atrium will provide a range of value-added resources for use by delegates before, during & after classroom training.
